M: +47 948 03 721

T: +47 23 01 15 25

Anouchka is part of Schjødt's Corporate M&A and the Private Equity & Venture Capital department and one of the core team members of the Life Sciences practice group.

She has experience from the German-Norwegian Chamber of Commerce and a global law firm. Anouchka has provided legal assistance within all aspects of corporate law and governance, compliance, shareholder relations, and complex cross-border transactions and restructurings with both global and national buy-out funds and industrial clients. Besides working with mergers, acquisitions and general corporate law, Anouchka assists with commercial, legal and regulatory matters within the pharmaceutical and technology industry. She has assisted various types of scale up, industrial software and biopharmaceutical companies with cooperation and development projects and different types of commercial agreements.

Anouchka is born and raised in Germany where she studied transaction management and German corporate law at the Ludwig-Maximilian University of Munich and the Humboldt University of Berlin. She obtained her Master's degree in law from the University of Oslo, where she wrote a comparative master thesis within German and Norwegian limited liability company regulations.
