Since joining Schjødt in 2007, Birgit has had a broad practice area, with a main focus on maritime, oil service and technology. Her key expertise is within M&As, investment structures and ownership structures. Birgit has substantial experience with transactions, and regularly works for reputable financial and industrial clients in Norway and abroad.

In addition to her M&A practice, Birgit also advises clients on general contract law and other matters forming part of their day to day business.

Practice areas

- Banking & Finance
- Capital Markets
- Private Equity & Venture Capital
- Shipping & Oil Services
