Head of Banking/Finance practice group

Gervais is an English law qualified senior asset/project finance lawyer, formerly a partner at Norton Rose Fulbright and Clifford Chance in Singapore for 20 years.

He has advised on a wide range of projects in the offshore oil and gas/shipping sectors (eg floating LNG/floating production/floating gas to power/cruise/drilling/tankers). He has extensive experience in syndicated and structured debt financing, leasing, debt restructuring, private equity investment, acquisition financing, receivable backed financing, Islamic financing and export credit supported financing (including IFC, JBIC/NEXI, KEXIM/KSURE, CHINA EXIM, SINOSURE, SACE, and COFACE structured transactions).

Gervais has also supported on corporate acquisitions, debt and equity capital market transactions and joint ventures. Clients include commercial banks, investment banks, leasing companies, shipping companies, offshore contractors, private equity funds, energy companies and export credit agencies.
