Kadir is an associate and a member of the Swedish M&A team of Schjødt and has nearly seven years of experience with Swedish corporate and international tax work. Kadir has broad experience from working on international M&A projects with multiple jurisdictions involving e.g. cross border tax due diligence, structuring, tax modelling and various ongoing Swedish tax queries.

Before joining Schjødt in 2021, Kadir worked at the audit firms Deloitte and PwC Sweden for a period in total of seven years. Kadir has an LL.M. from the University of Uppsala.

Practice areas

- Mergers & Acquisitions
- Tax
