Marius is a tax law specialist, and advises companies on corporate tax matters, i.a. in relation to M&A and other types of transactions and corporate re-organisations, cross border- and international tax issues, and general tax advise. Marius also has in-depth knowledge of the special energy tax regimes governing the petroleum sector and hydro-electric power sector, covering resource rent taxation, transaction related tax issues, property tax etc. In addition, he assists clients with administrative procedures against the tax authorities, and he also litigate tax cases before the courts.

Prior to joining Schjødt Marius was a partner and head of the tax- and VAT team at the law firm Grette, and he also has experience from the law firms Wiersholm and BAHR.

Further, I have in-house experience from the position as Head of Group Tax in EVRY and as seconded Group Legal Counsel to Equinor ASA. I have also worked at the Tax Law Department at the Ministry of Finance.

Practice areas
