M: +46 70 868 48 31

T: +46 8 505 501 35

Peter is specialised in assisting domestic and foreign financial companies such as banks and other credit institutions, securities companies, insurance companies (both direct insurance and reinsurance), insurance intermediaries, brokerage firms, funds and payment service providers.

His experience within the field covers all legal matters arising from the time of establishment to liquidation of undertakings, covering questions of both corporate and commercial law nature. Areas in which he most frequently assists covers, inter alia, product development, transfers, corporate governance and regulatory.

Peter has over 25 years' experience from regulatory issues related to financial institutions and advises different kind of financial institutions on a day to day basis.

Peter is ranked as a leading lawyer by Chambers and Partners and is recommended by Legal 500.

Recent representative assignments from a banking/finance business perspective include advising:

a foreign bank established in Sweden in relation to a reorganization of the activities in Sweden together with launching of new products, including for example regulatory issues, drafting of T&C's; on a day to day basis a foreign bank established in Sweden providing financing services in Sweden, including for example regulatory issues, drafting T&C's, cooperation agreements etc; a Swedish credit institution conducting payment services, financing business and insurance distribution activities. We made a survey for upcoming regulations or changes to existing ones that affect the company for upcoming three (3) years; and on a day to day basis as Swedish outside counsel the world's largest payment and credit card company.
