M: +47 984 41 986

T: +47 55 55 35 49

Runar has primary connection to the construction law group.

Runar has a Master in law from the University of Bergen. The degree was completed in 2013 with the thesis "The risk for ground conditions in turnkey contracts - before and after NS 8407". During the study, he had an exchange period at the University of Sydney.

Before joining Schjødt he worked as an advisor at Inventura AS. There he worked with operational assistance and legal advisory in major construction projects. Runar has broad experience with assistance in all phases of public procurement, and legal advisory related to contracts, in particular construction contracts.

Practice areas

- Construction
- Dispute Resolution
- Litigation & Arbitration
- Public Procurement
