M: +47 901 16 678

T: +47 23 01 19 24

Trygve works in Schjødt's M&A and Capital Markets department, and is specialised within acquisitions, mergers, investments, capital markets transactions and restructurings within the energy, aquaculture, finance, technology and real estate sectors. Trygve has extensive experience with transactions, and is advising Norwegian and international industrial groups, as well as investment funds, in connection with transactions and various corporate and contractual matters. Trygve also works with seed capital, venture capital and corporate finance, and is advising start-up companies and venture capital funds on both legal and strategic matters.

Trygve has a law degree from the University of Bergen. Prior to joining the firm, Trygve worked in the law firm BA-HR DA and in the legal department of DNB Bank ASA, where he primarily assisted the Equity Capital Markets and Strategic Advisory departments in DNB Markets, Investment Banking Division.
